DEDICATION

Dedication

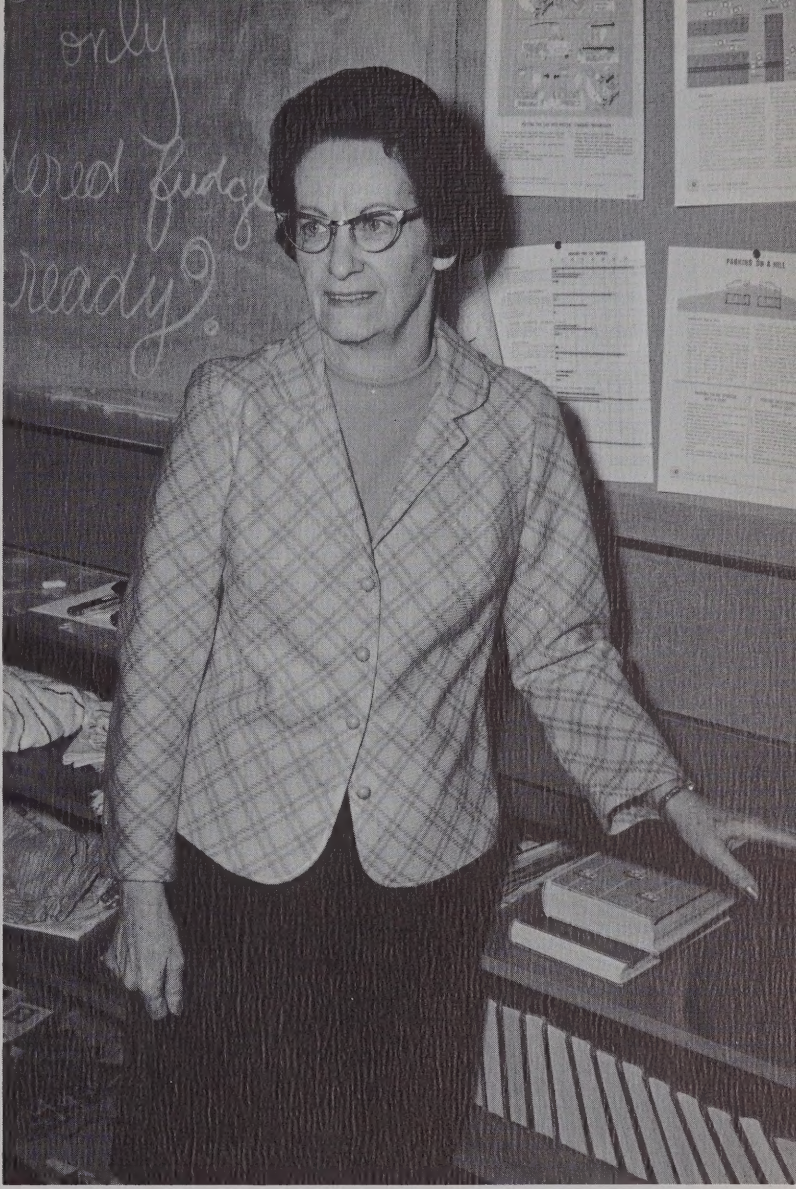
There will come a time when each of us will make our final exit through those "ever popular" front doors as students of Buckeye High School. As the time draws closer, the excitement of graduation dominates our thoughts, and we wait with anticipation for the opportunity to put our knowledge and skills to work. We must realize, though, that we did not reach this goal by ourselves.

As we look back to our high school days we remember the important role played by the faculty, whose thankless devotion and countless hours of work have prepared us for a rewarding future. We sincerely appreciate the efforts on the part of EACH faculty member, but there will always be ONE very special teacher whose classes and instruction we will remember for many years.

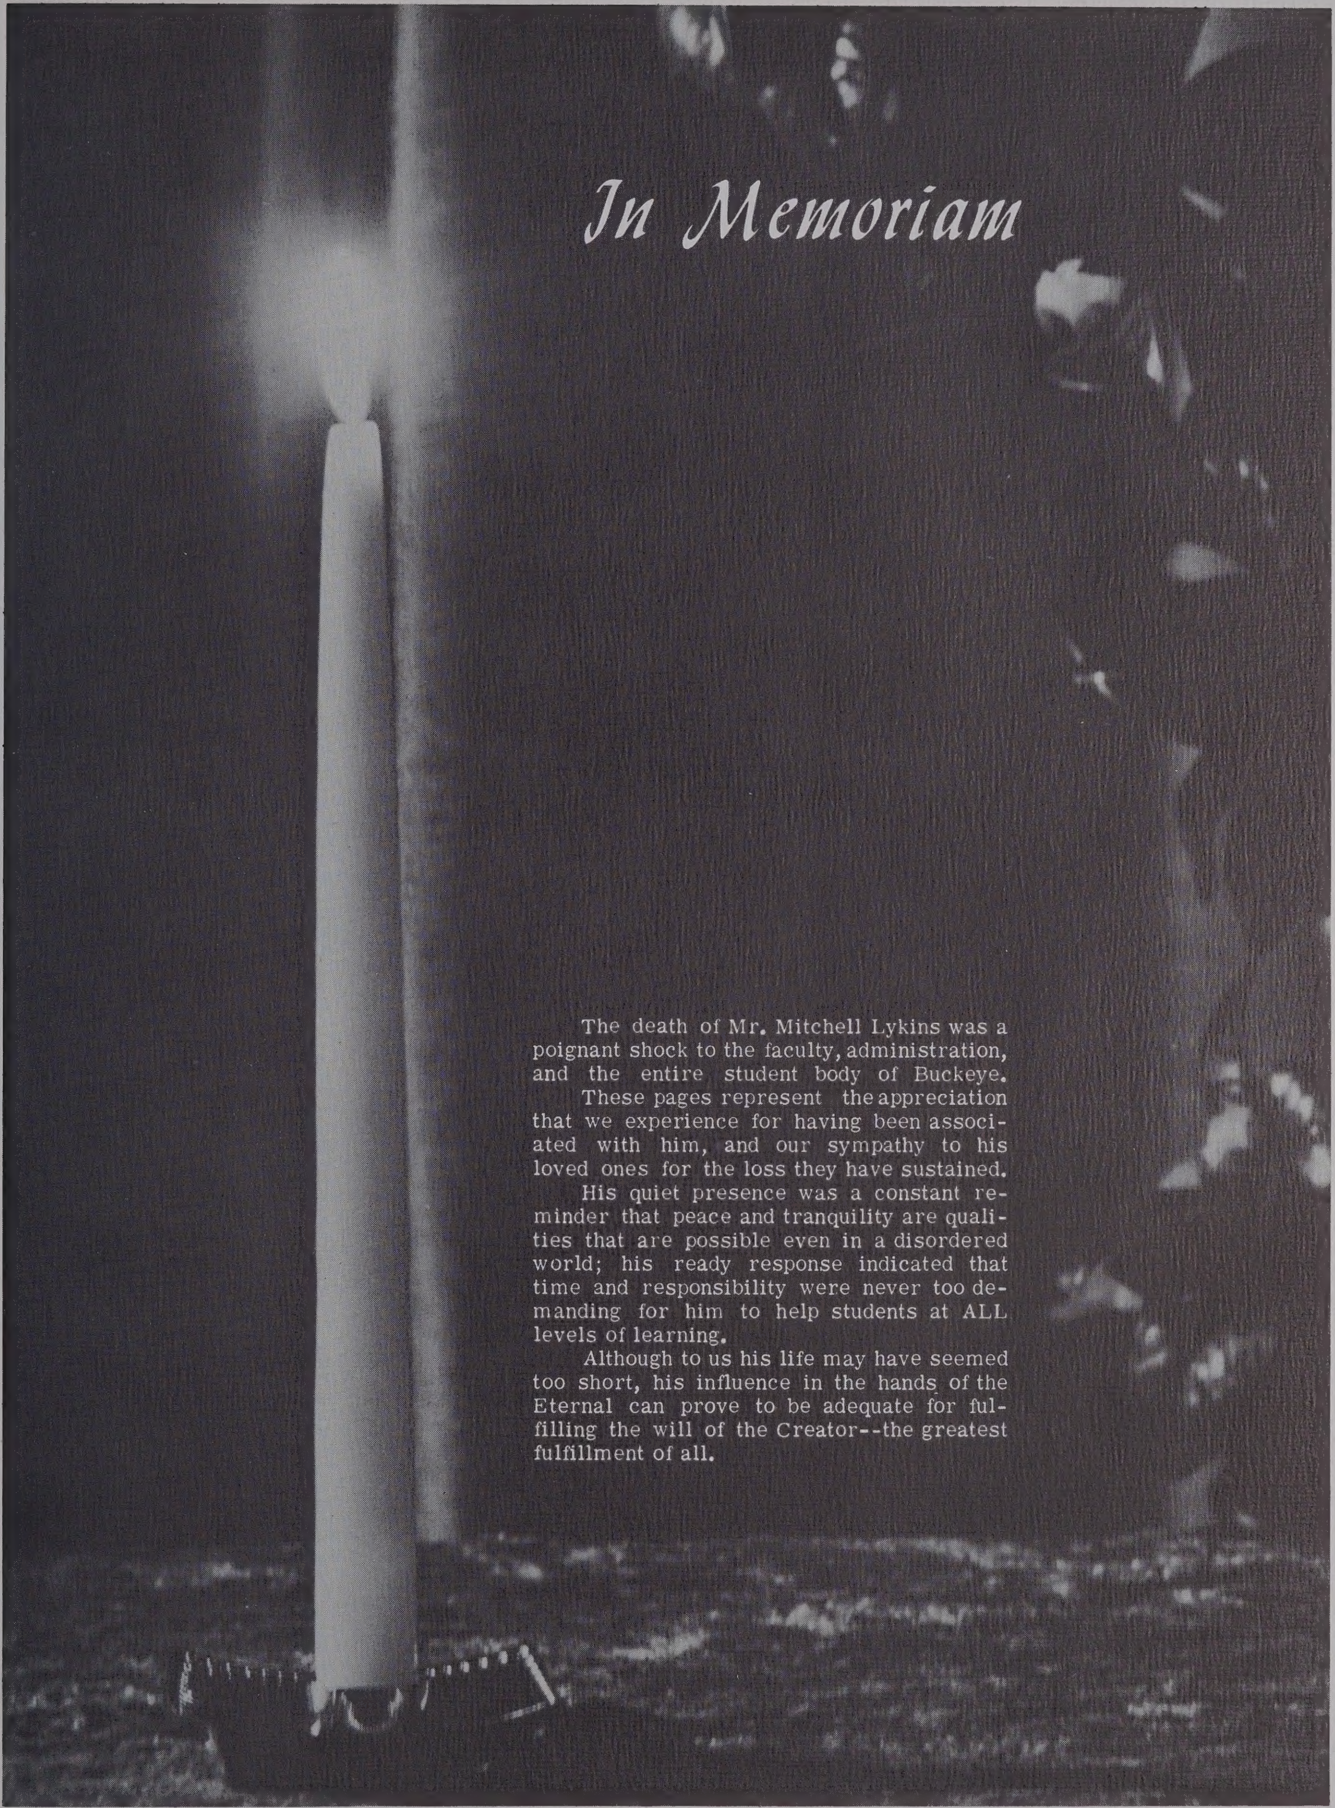
This year we recognize a member of our faculty who has always been considered "very special" by the students and the faculty throughout Buckeye's history.

A warm personality, a vivacious spirit, and the great interest she has for her students is only the beginning of a very lengthly description which she so justly deserves.

We dedicate the 1968 REFLECTOR to MRS. PAULINE D'AMICO, who will always be included in the wonderful memories of every student who will someday graduate from Buckeye High School.



MRS. PAULINE D'AMICO



In Memoriam

The death of Mr. Mitchell Lykins was a poignant shock to the faculty, administration, and the entire student body of Buckeye.

These pages represent the appreciation that we experience for having been associated with him, and our sympathy to his loved ones for the loss they have sustained.

His quiet presence was a constant reminder that peace and tranquility are qualities that are possible even in a disordered world; his ready response indicated that time and responsibility were never too demanding for him to help students at ALL levels of learning.

Although to us his life may have seemed too short, his influence in the hands of the Eternal can prove to be adequate for fulfilling the will of the Creator--the greatest fulfillment of all.

Superintendent

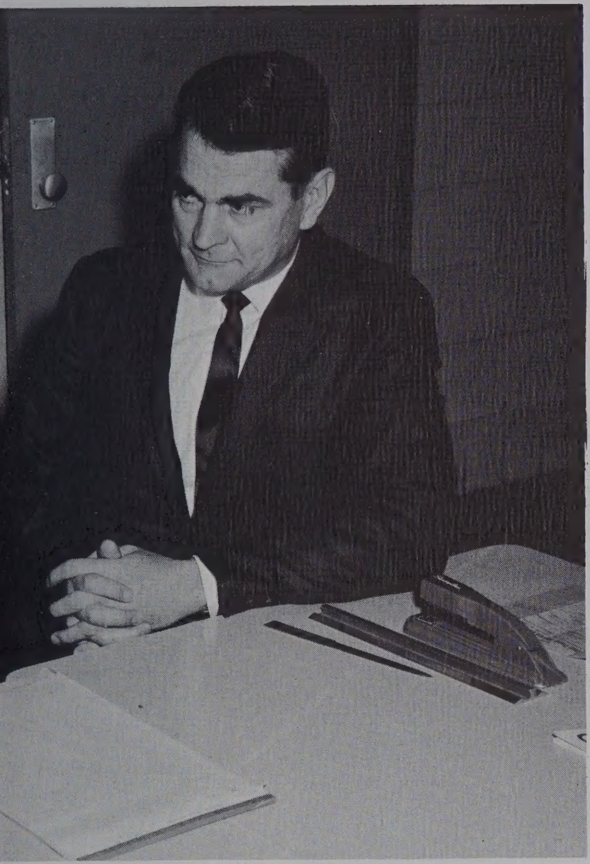
A dedicated man, indeed, is MR. LLOYD NARAGON, head of Buckeye Local School District. We recognize in him all the elements which enter into the making of the educator, the teacher, and the real man.

Experience in secondary education has made him aware of problems in this area. His many years as superintendent have amply acquainted him with administrative functions. Through these years of dedication and experience, he has performed his administrative duties with the students in mind.

School

The students at Buckeye High School wish to thank the school board for contributing their time to formulate school policies and for dedicating many hours to determine school functioning throughout the year. The members, George Schnabel, George Hamby,

Principal



With his ability to cope with the duties and problems of a principal. MR. MILLARD BOGARD has shown strong qualities of leadership, guidance, kindness, and cheerfulness in his first year at Buckeye. In return, he has won the admiration and respect of the students and faculty. He has made the atmosphere of Buckeye a more pleasant one in which to teach and to learn.

Mr. Bogard is definitely an asset to the school and his high standards as an individual have set an excellent example for every student, who will someday be faced with the pressures and responsibilities of the future awaiting each of us beyond Buckeye's doors.

Board

Lawrence Steingass, President; Norman Hinman and Stuart Zacharias work together in planning the calendar for the following year, managing the finances and setting standards of education. Theirs is a thankless job, yet a necessary one.

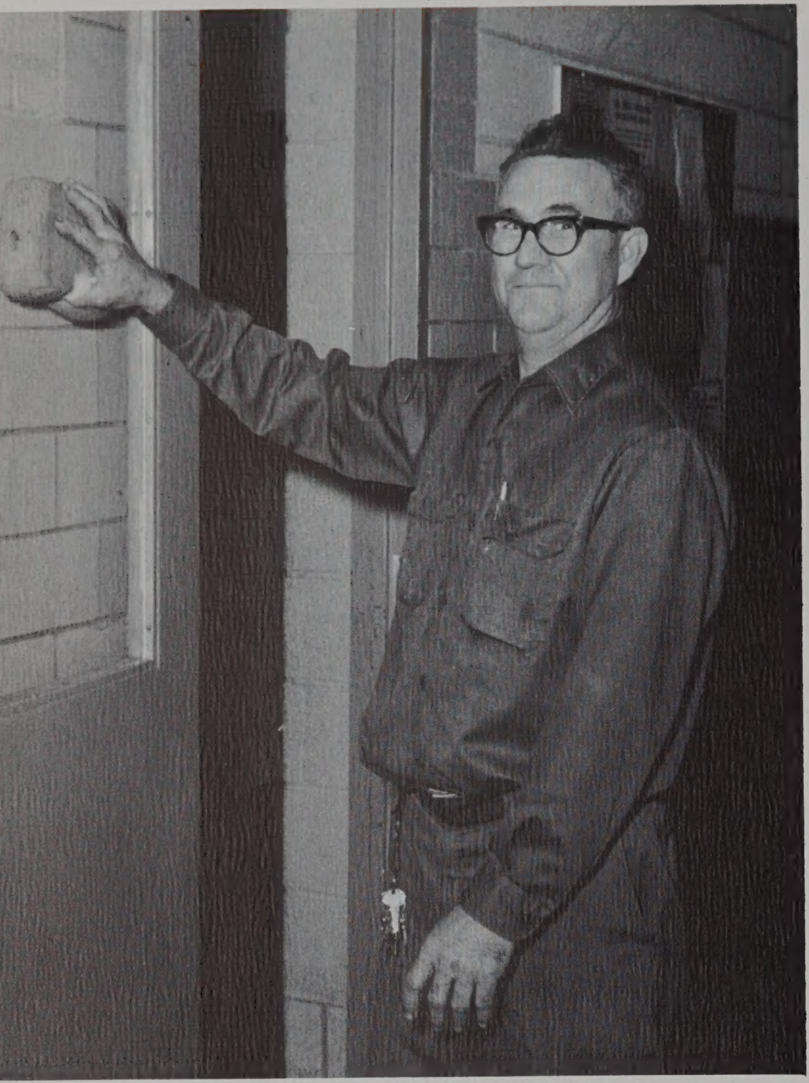
Custodians



Special Recognition

It is difficult for most of us to realize the long hours of tedious work involved in the job of our custodians. This year the Reflector Staff would like to give special recognition to a very deserving member of the Buckeye's personnel, MR. WALTER THOMAS. After serving seven years as head custodian, Mr. Thomas, with his friendly smile and cheerful disposition. has been a friend to all in time of need. He is on the run at the sound of a jammed locker. Assemblies call for much preparation on his part, and when a big dance comes to an end at the stroke of midnight, guess who stays until early hours of the morning cleaning up the scuff marks and sawdust on the dance floor? Just leave it to Mr. Thomas.

On behalf of the students and faculty of Buckeye we say, "Thank you, Mr. Thomas, for your faithful service which for so long has been overlooked. And a special thanks from the Reflector Staff for all your goodies we enjoyed after school."

MR. JOHN ROUSH is seen performing many jobs in the halls morning, noon, and night. Faucet dripping? Lights flickering? Heater in need of repair? A call to Mr. Roush brings prompt service with a smile.

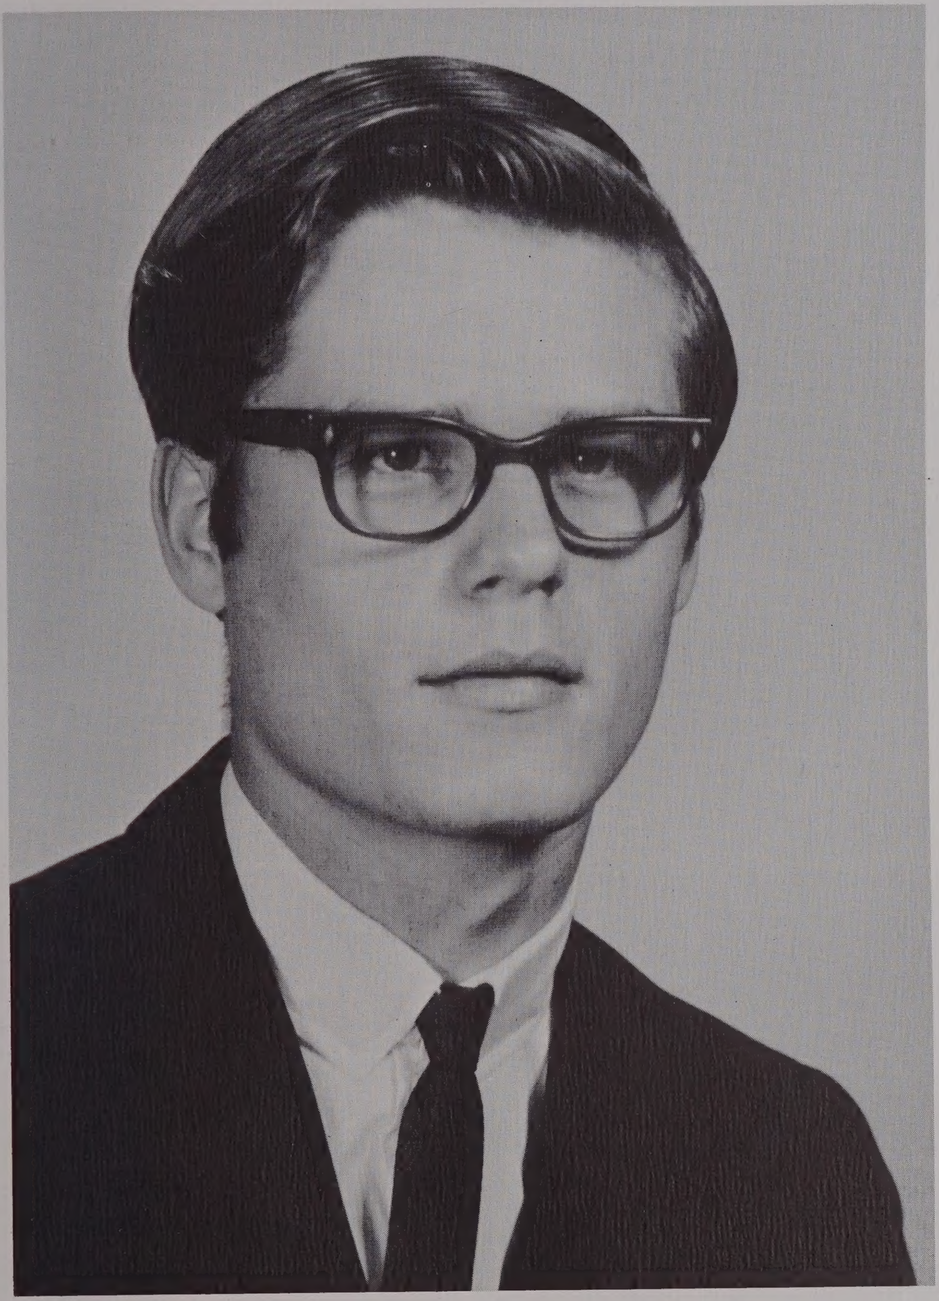
In Memoriam



Keith Kerns

October 30, 1950 - June 3, 1967

One picture may represent a thousand words in a form long to be remembered, but no picture has ever been able to bring into being the true reality that it symbolizes. So, too, in life. No representation of the living, though strong the physical likeness, restores the life that it represents. If it enriches our lives by bringing to mind the eternal qualities once demonstrated, we find solace in the likeness and inspiration in its message.

Everything that reminds us of Keith Kerns calls forth gratitude, and we thank our Creator for having placed among us a life that has spoken of His eternal goodness and love. This message has enriched our past and will help to make significant our future. May we always reflect the reality that his likeness so well symbolizes.

This year's class officers, Karen Kiene, Secretary; Bob Traylinek, President; Nancy Frombaugh, Treasurer; and Rick Maringer, Vice-President; are shown eating up the Junior profits. Each and everyone of them waited anxiously at every home game to gleefully hand the job at the concession stand over to someone else.

Wonder what they're putting in that punch . . .

One of the many duties of a Varsity Letterman is to take money at basketball games and wrestling matches. Here we have four of our lettermen in action--taking money--along with various other antics.

The Senior lettermen continued their tradition of beating the faculty "fuddy-duddies" in the annual volleyball game. Sorry faculty!!

Weight Lifting Club

Who carries all the weight at Buckeye this year? Why, it's the weight lifters, who else? The Weight Lifting Club is one of the newest additions to Buckeye's extra curricular activities. The club consists of 20 active weight lifters who work out several nights each week after school. At present, the school record is held by Dave Scott with a lift of 217 pounds. This record is expected to be broken by the end of the school year.

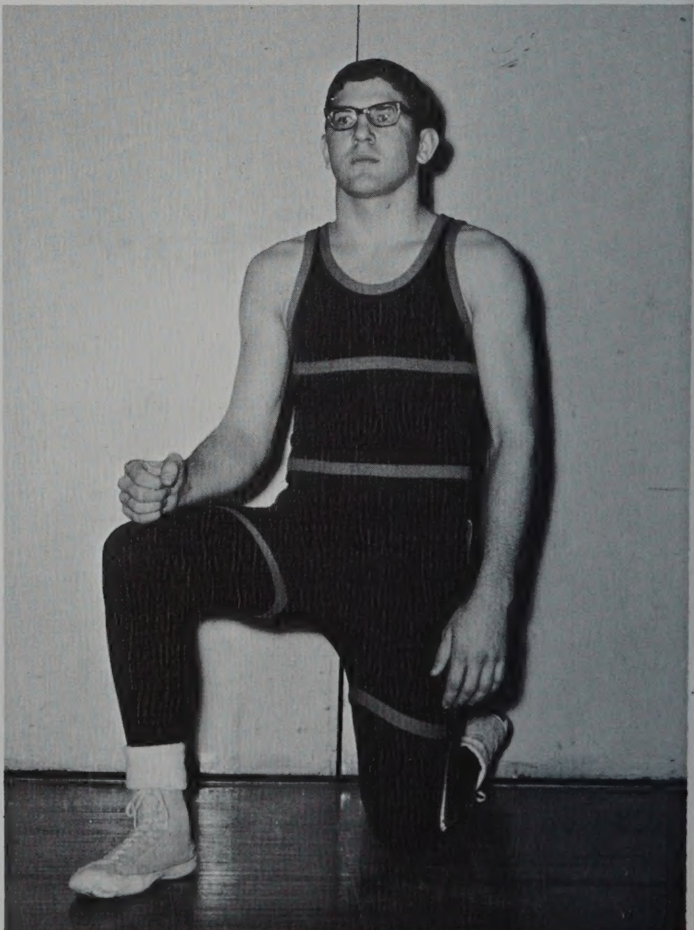
Yet only a Sophomore, Bobby Rising has shown that he has a fine future in wrestling at B.H.S.

As well as representing our school at Columbus in the State Wrestling Tournament, he finished the season with an outstanding 21-3 record. Bobby competes in the 154 pound class.

Buck Grapplers at State

Craig Haneberg made history in becoming the first wrestler to represent Buckeye at the State Wrestling Tournament in Columbus.

During his four years as a wrestler, he has been a consistent winner. Craig's performance in the 145 pound class earned him a 7-0 Dual Match Record.



Bucks Are Green on the Greens This Year

Jeff Asad, Greg Burns, Rick Maringer, Charles Brugger, Mr. Robert Leget, Coach; Richard Hutflies, Mike Devine, Keith Kramer, Bruce Moehle.

"Fore,"--the common cry heard from eight of our "swingers" making up Buckeye's newest addition to the sports curriculum, the golf team.

Under the coaching of Mr. Robert Leget, the team was sparked to a sports season of new competition and wide ranging challenges.

The team extends its thanks to the Valley Forge Golf Course for opening its facilities to them.

The candid camera catches Bruce swinging his way out of a sand trap.

Mike Devine spends a great deal of time at one of the golfer's familiar water hazards fishing out his teammates golf balls.

Cinders Into Ashes

"Ban won't wear off as the day wears on!"

Just think--it took the Wright Brothers 5 years to do this.

The Buckeye track team had a winless season this year but under the new leadership of Coach John Loughridge, bigger hopes were gained for success in the near future. Many promising performances were made by the younger members of the team.

"Ever-present Earl" and "Terrible Tom" race to victory!

SPECIAL ACTIVITIES

The night of February 17, was a gay event as cupid set the stage for the Sweetheart Dance held by the FFA and FHA. Highlighting the evening was the presentation of the FFA Queen and her court. Cindy Wolff, escorted by Paul Schnabel, was crowned Queen of the 1968 Sweetheart Dance. The junior attendant, Kathy Muntz, was escorted by Ed Yost; Debbie Meyers, sophomore attendant, was escorted by Darryl Towne; and Nancy Leonard, the freshman attendant, was escorted by Jim Mowery.

Between dancing to the rhythm of "The Troupe," students attending the dance slowed down the pace by participating in the cake walks.

The FFA and FHA are to be commended for their many hours of hard work and planning in making this event a success, and as the big smiles on this page depict, it was a real success!

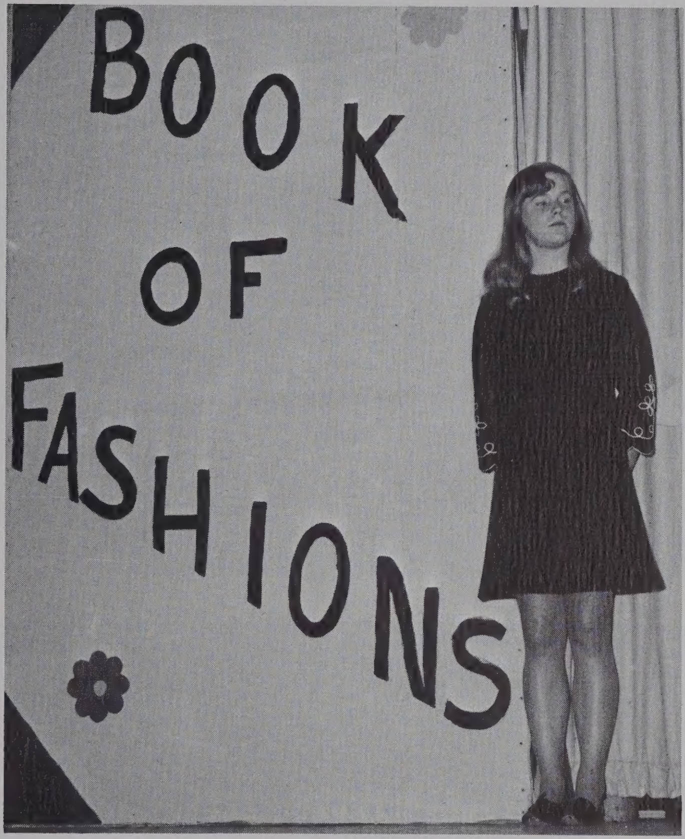
Buckeye goes Broadway!

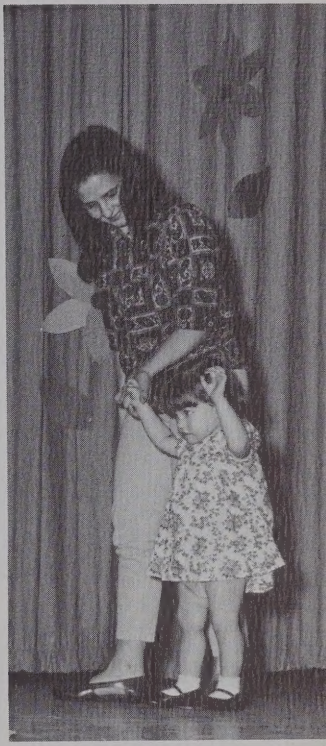
As the school year nears an end and the majority of the yearbook has been sent to press, in this small space we would like to bid a fond farewell to our devoted, dedicated teacher and dear friend, Mr. Harry Beard, whom we have recently learned is leaving the hallowed halls of Buckeye to retire from the teaching profession. Mr. Beard's cheery smile and friendly disposition (even on a blue Monday) and his interest and participation in school functions will be greatly missed by both students and faculty.

Spring Style Show

Donna Vajdik, a member of the Home Ec. II class, swings into spring modeling her large check, long sleeve dress.



Alice Webb turns the pages of fashion as each Home Ec. girl steps onto stage and models her frock. As the pages were turned the audience was awed by the wide selection of fabric and the latest styles of '68 that were constructed by the various Home Ec. classes.



Tisha Valentine, who is helped with her modeling by her aunt, Joyce Metter, exhibits her dress that was constructed by Joyce as one of her projects. Members of Home Ec. III were to construct a child's garment as well as another garment.

Dianne Higham, a senior and a member of Home Ec. IV, along with Peggy Beat, a senior and a member of Home Ec. III, set off the winter scene with their three piece wool slacks and jackets.

In the evening wear category, Georgia Hawkins looked dazzling in her pink cocktail dress. Judy Kisner has constructed an eye-catching, white tailored coat with matching hat and coordinating dress.

Sue Stout, a member of the Home Ec. II class, models her corduroy suit along with Sandy Keller, a senior in Home Ec. IV, exhibits her corduroy dress.

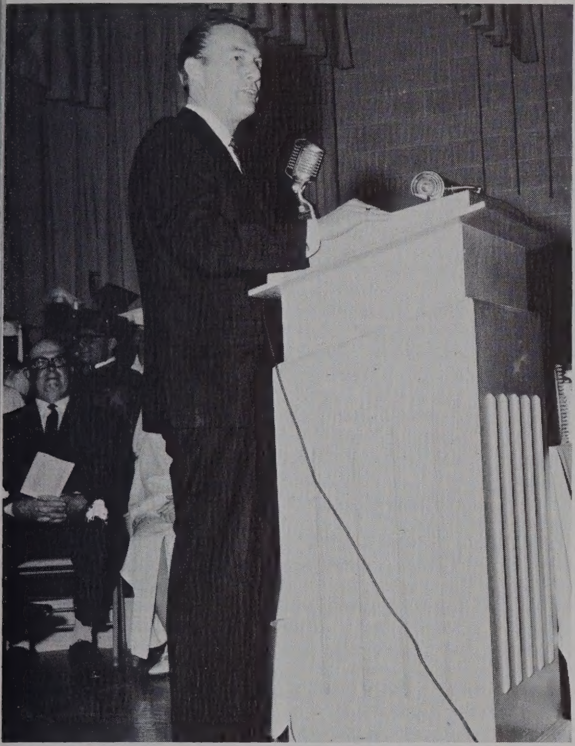
Dons Class Colors



"Hitch Your Wagon To A Star" was Lieutenant Governor John W. Brown's inspiring Commencement message to the Class of '68.

The evening of May 31 marked the end of high school life for 96 graduates, yet just the beginning of life in a new world of challenge and opportunity. Keith McKim, class president, welcomed guests, faculty members, parents, and friends to the graduation ceremonies, followed by two speeches given by Valedictorian, Bea Barth, and Salutatorian, Cheryl Collins.

Man is challenged today to excel in almost every endeavor . . . those who do succeed often trace the beginnings of their performance pattern to accomplishment in high school and to those who offered stimulation and inspiration in these formative years. Josten's has long been a partner to these educational leaders in providing a means of motivation and the rewards of recognition, and Josten's products have become tangible symbols honoring perseverance and achievement.

The class ring is representative of the fine traditions of school spirit and unity ☐ The yearbook provides a lasting memento of the year's accomplishments ☐ The diploma is a lifelong record of scholastic success ☐ The graduation announcement heralds this achievement ☐ Awards recognize academic and athletic leadership.
